Content URLs:
- https://instagram.com/p/123
- https://twitter.com/status/456

3. COMPLAINT NARRATIVE

I am lodging an official complaint regarding deepfake/non-consensual manipulation of my image/identity. A deepfake video/image impersonating me without consent has been uploaded to multiple platforms.

FACTS:
- AI analysis confirms deepfake with 95.00% confidence
- File analyzed: test_image.jpg
- Uploaded by unknown perpetrator(s)
- Shared across: instagram, twitter
- Content depicts defamatory/harassing scenarios
- Designed to harm my reputation and safety

APPLICABLE LAWS VIOLATED:
- Section 67A, IT Act 2000: Publishing sexually explicit content in electronic form
- Section 66, IT Act 2000: Computer misuse/hacking
- Section 354C, IPC: Voyeurism
- Section 354D, IPC: Stalking
- Section 500, IPC: Defamation
- Section 506, IPC: Criminal intimidation

EVIDENCE ENCLOSED:
- Technical analysis report (AI detection score: 95.00%)
- Screenshot of content
- Platform complaint IDs
- URL links to infringing content
- Device & metadata information
- Hash values for proof of authenticity

4. REQUESTED ACTION

1. Register FIR under above-mentioned sections
2. Initiate investigation to identify perpetrator(s)
3. Issue notices to hosting platforms (Instagram/Twitter/Facebook/YouTube/TikTok)
4. Preserve evidence & digital forensics
5. Arrange for immediate content removal
6. Consider cybercriminal penalties as per IT Act Section 67A
